

Green Phoenix 2024

Dear Green Phoenix family,

We are happily and warmly inviting you to register or apply to this year's Green Phoenix 2024!

Green Phoenix is a **community of ecovillages**, a vessel for spiritual exchange, trust, healing, compassion and intimacy, a hub for deep inspiration on a spiritual and heart level, a place for learning together and rising our consciousness, supporting the GEN network and other transformational change makers, embracing many walks of life.

As a **“think-and-feel” tank** [Green Phoenix](#) aims to bring awareness about a regenerative and sustainable future for humanity and our planet.

This year our annual meeting will take place again in Schweibenalp, Switzerland ([Schweibenalp Center of Unity](#)) from **Sunday, October 27th at 6pm (CEST), to Thursday, October 31st**, after lunch. The first evening, on Sunday, is meant to have dinner and start with the opening ceremony and setting the intention.

[Registration Form for Green Phoenix 2024 - Google Forms](#)

This year's topic is **“Balance”**: within ourselves, in our communities and within the world. We will work on balance with three main focuses: between the female and the male (archetypal), the youthful and the elder (life phases), global south and global north (eco-political). If needed, one or two open space topics can be added.

We are happy to announce that for the first time a special **“Next Green Phoenix” program** is taking place simultaneously, which means that a group of younger people, aligned to Next GEN will attend and will be financially supported for their stay on Schweibenalp, which will be covered for the participants that feel called by the “Next Green Phoenix”. If you are between 30 to 35 years old, You can choose if you want to participate in the Next GEN/Next Green Phoenix program or in the established Green Phoenix group. Both groups will have similar topics and focuses, thus some sessions will be together, some in separate groups. In the established Green Phoenix we ask for an attendance of at least three years; for the newcomers of Next Green Phoenix: please commit for at least two years. We are aware that this new format is an adventure for all of us and will bring us added joy but will also demand resilience from us!

We aim for smooth co-creation, sharing and exploring beautiful and deep tools and practices; while bringing new inspiration to our communities, strengthening the community of communities and building bridges with influential change makers.

We aim to offer childminding again this year so that families can attend together, if they wish, and children can stay closer to the process. Please inform us if you bring your children.

You can find full details below, including:

- Feasibility, structure and participation
- How to register or apply
- Financial support and contacts

We look forward to meeting many of you again and welcome some of you for the first time!

With love,

Sundar Robert Dreyfus, Schweibenalp, CH (Initiator of Green Phoenix)

Gerhard Paul, Heilhaus Kassel, DE (Council Green Phoenix)

Macaco Tamerice, Damanhur, IT (Council Green Phoenix)

Ave Oit, GEN-Europe council & Lilleoru, EE (Council Green Phoenix)

Anne-Kathrin Schwab, Villa Locomuna, DE (Council Green Phoenix)

Ousmane Aly Pame, Redes, Senegal (Council Green Phoenix)

Sarita Majewski (Schweibenalp, CH)

Alicia Adler (Lebensgarten, DE)

Anouk Duveen (Herzfeld Sennrüti, CH)

Usignolo Salvemini (Damanhur, IT)

Carolin Waldmann (Findhorn, SCT)

FEASIBILITY, STRUCTURE AND PARTICIPATION

Target participants are primarily representatives of established communities in Europe exhibiting GEN-like complexity. Representatives should have extended experience living in community, ideally 5+ years for ages 40 and above, and at least 2-5 years for those under 40.

We value continuity of participation (three years/two years) since Green Phoenix represents the community of community and is built upon trust and relationship. We always welcome and include new family members. We have transparent criteria for new communities wishing to join.

Group size: The maximum number of participants of each age group is 40, guaranteeing the necessary intimacy to deepen our relationships and continue the kind of group work that best strengthens the community of communities.

Inter-continental participants: We are aiming at having inter-continental participation again in 2024 and will keep you informed on it as it becomes clear. This depends mainly on funding.

Who should register or apply:

- Repeat Participants: The core communities that have participated since 2015 are warmly invited to send the same representatives as in the last 3 years. We invite you to consider bringing along someone younger as well. If you can't come, please let us know if you will send a replacement. To register, please fill out [this form](#)!
- New Participants: New communities interested to join Green Phoenix and willing to commit to participating for the next 3 years, are welcome to apply. All full members and associates of GEN Europe are receiving this invitation. If you are interested, please fill out [this form](#)!

Kindly fill out the form by Friday 1st September so we know how many open spaces are available for new participants!

Venue and prices: There is no participation fee. The following prices are for full room and board (3 meals included) per day. Schweibenalp is offering its infrastructure at extra friendly prices:

- In your own camper or tent 60€
- Multi-bedroom (3-4 persons) 88€
- Double room 97€ (limited availability)
- Single room 123€ (limited availability)
- People up to 35 years old: 70€ in a multi-bedroom or 30€ in your own tent (end of October only for hard core outdoor freaks).

Financial support for:

- participants of Green Phoenix – we have a small fund to help cover some of the travel, food and lodging expenses for those who would not be able to join otherwise. Please apply with Gerhard Paul from Heilhaus: g.paul@heilhaus.org.
- participants of Next GP: Please contribute as much as you can and if you need support, apply for a scholarship for food and lodging up to 100% with Sarita Majeovski from Schweibenalp at: selina.majeovski@schweibenalp.ch.

- intercontinental participants: we are looking for funds. Communities, organizations and individuals wishing to contribute to the Green Phoenix fund can kindly contact us. Please apply with Gerhard Paul from Heilhaus: g.paul@heilhaus.org.

Questions can be addressed: greenphoenix@schweibenalp.ch.
